### **Distance Learning Education**

The student will receive the first lesson and any materials within seven days of enrolling in a distance education course. All lessons and materials for the course will be transmitted to the student if the student has fully paid for the educational program and, after receipt of the first lesson and initial materials, requests in writing that all of the materials be sent. If the institution transmits the balance of the material as the student requests, the institution shall remain obligated to provide the other educational services it agreed to provide, but shall not be obligated to pay any refund after all of the lessons and materials are transmitted. The student has the right to cancel the enrollment agreement and receive a full refund before the first lesson and materials are received. Cancellation is effective on the date a written notice of cancellation is sent. The institution shall make the refund pursuant to section 71750 of the Regulations. If the institution sent the first lesson and materials before an effective cancellation notice was received, the institution shall make a refund within 45 days after the student's return of the materials.

### **Student Tuition Recovery Fund**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

### **Course Catalog and School Performance Fact Sheets**

Prior to signing this enrollment agreement, you must be given a course catalog or brochure and a School Performance Fact Sheet, which you are encouraged to review prior to signing this agreement. These documents contain important policies and performance data for this institution. This institution is required to have you sign and date the information included in the School Performance Fact Sheet relating to completion rates, placement rates, license examination passage rates, and salaries or wages, and the most recent three-year cohort default rate, if applicable, prior to signing this agreement.

Please initial this statement.

\_\_\_\_\_ I certify that I have received the course catalog, School Performance Fact Sheet, and information regarding completion rates, placement rates, license examination passage rates, and salary or wage information, and the most recent three-year cohort default rate, if applicable, included in the School Performance Fact sheet, and have signed, initialed, and dated the information provided in the School Performance Fact Sheet.

## **STUDENT'S RIGHT TO CANCEL:**

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. CCSC will refund 100 percent of the amount paid for institutional charges, less the \$100.00 non-refundable registration fee, if a notice of cancellation is submitted to the Program Director prior to close of business on Monday of the second week of the session.

In addition, the student may withdraw from the training after instruction has started by submitting a Notice of Cancellation and receive a prorated refund for the unused portion of the tuition and other refundable charges if the student has completed 75% or less of the instruction.

If the student receives federal student aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds only.

Costs and fees paid by the San Francisco Office of Economic and Workforce Development or other federal student financial aid program funds will be refunded back to the agency - the student is not entitled to a refund of these monies.

Date by which student must exercise his or her right to cancel or withdraw: \_\_\_\_\_.

## **Loan Agreement**

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal student financial aid program funds. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan; or
